

DECLARATION OF FREDA N. DESHONG

I, Freda DeShong, declare as follows:

1. My name is Freda DeShong; I am over the age of 18 years and am fully competent to make this Declaration. The facts set forth in this Declaration are within my personal knowledge and are true and correct.

2. A few years ago, I believe sometime in 2009, Clark Baker called my home phone looking for my son Todd DeShong.

3. I told him Todd was not here and he started talking to me.

4. He told me he knew about Todd's drug use and his temper. He warned me that for my sake I should not allow Todd to live here or to be around him. He said he was a former cop and he knew people like Todd frequently hurt or killed their family.

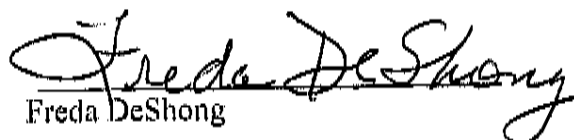

5. He went on to say he was representing a doctor who was going to sue Todd for defamation of character for things Todd had said in his blog.

6. I told him Todd had no money and you can't get blood out of a turnip. He then said "Well, you have money and a home." I told him Todd was over 21 and I was not liable for his actions. He then said I better check that out because I had allowed Todd to use my computer and that could make me liable, but he was not sure about Texas laws.

7. At this point I hung up on him.

Pursuant to the laws of the United States, I declare under penalty of perjury the foregoing is true and correct.

Dated 8-12-13
